Stayurban is the way of life

A place where style, comfort, and community blend harmoniously.

Modern design meets a warm, inviting atmosphere that makes it easy to feel right at home.

It's the little moments—a smile, a conversation, a glass of wine shared—that make all the difference.

Stayurban stands for uncomplicated living with character – more than just four walls. Inspiring encounters, a lively community, and a network of like-minded people make life here unique.

COFFEE CORNER, CO-LIVING, CO-WORKING, LAUNDRY

ALL ROOMS ARE VENTILATED

The community areas are the linchpin of Stayurban. This is where connections are made that last a lifetime - through shared experiences, inspiring conversations and genuine togetherness.

Whether it's a drink on the roof terrace or a spontaneous chat in the Laundry - these spaces are more than just places, they are the heart of our community. Stayurban energizes, inspires and puts each individual at the center.
